My OMGC Secret Agent Name: _____

Your target (AKA Grandma) should probably have a code name. That way they won't know what's up if you accidentally talk about Operation MGC in front of them. Find out the month they were born or married and use that to determine their code name.

My target's code name: _____

Use the number below that matches your target's birth month or anniversary month to determine their Operation MGC Code Name.

1 - Eagle	4 - Pelican	7 - Flamingo	10 - Hawk
2 - Viper	5 - Cobra	8 - Python	11 - Anaconda
3 - Fox	6 - Moose	9 - Wolf	12 - Leopard

You may ask your parents or siblings to help you with Operation MGC. They will be your accomplice and they might need a code name too. You can use the system you used to create your code name or your target's code name.

My accomplice's code name: _____
